Uprights

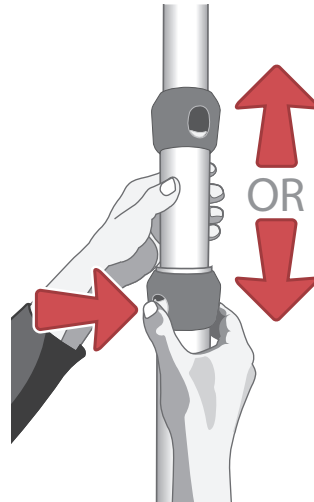

EZ Series Uprights

- Accurate and easy to setup with quick height adjustments
- Adjusts to any height within the rated range
- Tool-free setup and take down
- No wing nuts, knobs, smashed fingers or pinches!
- Great for wedding heavy backdrop applications
- All metal surfaces feature a premium anodized coating for protection

Pro Series Uprights

- 2" Diameter
- Slip-Fit Style
- Button-Lock with Clamp
- Heavy-Duty Construction
- Great for wedding heavy backdrop applications
- All metal surfaces feature a premium anodized coating for protection

EZ Series

Adjustable 2 & 3 piece telescoping uprights for professional pipe and drape displays and backdrops.

What Is Slip-Lock?

This is the preferred locking mechanism for wedding decorators as it allows for easy raising of tall and heavy backdrops without the risk of losing your grip and smashing your fingers. It also allows for one-hand raising of the backdrop - so simple!

Pro Series

Our Pro Series Telescoping Uprights are constructed of heavy duty, corrosion-resistant, 2" aluminum tubing and hardware. Your Pro Series Telescoping Uprights come with a button lock and locking clamp. Button locks feature stops at every foot increment. Locking clamps are infinitely adjustable and feature a handy measuring guide on the inside pipe. All Pro-Series pipe products are designed for the rigors of heavy commercial use yet remain light for easy setup, tear down and transport.

Valu Series

Our Valu Series Uprights are constructed of heavy duty, corrosion-resistant, 1.5" aluminum tubing and hardware. Adjustable models feature a button lock and locking clamp. Button locks have stops at every foot increment and locking clamps allow for adjustable heights.

- Slip-Fit style
- 1.5" Diameter
- Extra slots at 3'
- Heavy-Duty construction - 1 Year Warranty

Bases

Pro Series Heavy Duty Bases

Our Pro Series Heavy Duty Bases feature 6" nipples and are designed to work with 2" slip-fit pipe systems. Slots in the bases allow easy storage, and alternate pin holes make it easy to set up backdrops close to walls and surfaces. Raise your uprights higher by adding sand-bags or taping bases to the floor. These bases work with both Pro Series and EZ Series Uprights. *The Heavy Duty 18" base includes a handle for easy handling.

Custom Backdrop Kits

Event Decor Direct is proud to announce the release of a new Exhibit Backdrop Kit that easily attaches to any existing trade show booth and fits in one portable carryall bag.

The kit is available in a number of different attachment options, including a foldable drape support, grommets and ties or sign hooks, standalone pipe and drape hardware, or universal clamps that are specifically designed to attach to any existing uprights. Each fabric backdrop is printed using the process of dye sublimation as well. The result is a crisp, permanent, and photo-realistic image free of the pixelation of standard printing. Please visit our website for more information.

EZ Tube Displays

Sleek and "EZ", our tension fabric systems are a great alternative to standard backwall displays. Quickly assembles in just 5 minutes, slide the tubes together to make the frame and lock in place with a push button snap. Then, simply pull the pillowcase-like graphic over the frame and zip it shut. The zipper, hidden from view, tightens the stretch fabric, beautifully displaying your images. Disassembled, the lightweight frame and graphic fits inside a compact Silver Bag. The EZ Tube is available in 5 sizes and different styles. Quantity prices are also available on our website.
